

Christian Autobiography Reflections

Due December 15, 2010

The following questions are given to help you reflect on what you want to write about in your Christian Autobiography. **However, the autobiography is to be written in a well thought out essay.**

Think about your past:

What have your parents told you about your baptism?

What are some of your first memories about God?

What did you learn about God from your parents, grandparents, godparents, Sisters, brothers, and other members of your family?

What did you learn from your teachers or catechists?

What are some of the ways you used to think and feel about God?

How did you learn to pray? What prayer do you like best? Why?

What do you remember about your Communion? How did it change you?

Was making your First Communion important to your growth as a Catholic?

What about now:

How do you feel about God today?

What do you like best about being Catholic?

What are some of the things you have learned about yourself this past year?

How do you feel about belonging to St. Anne's parish?

What about attending Mass? What do you like and what do you find difficult?

How about the future:

What name are you considering choosing for Confirmation? Why?

Who are you considering choosing as a sponsor? Why?

How do you plan to be active in the parish as a teenager?

What are some of your hopes and dreams?
