St. Anne’s Spiritual Adoption Prayer Program  
January 22 - Oct 22

Everyone loves the beauty and innocence of a baby. As an expression of that love, we will begin a Spiritual Adoption Prayer Program on Sunday, January 22.

St. Anne’s Respect Life Ministry invites you to “spiritually adopt” a child who is newly conceived this month, and to pray daily for that baby for the next 9 months. Not all newly conceived babies are allowed to be born. Babies lose their lives to abortion each day. It is these babies that you are being asked to “spiritually adopt.”

Please take a spiritual adoption prayer card located in the lobby of the Church and use it to pray for your child and all unborn children in danger of abortion as well as their mothers and fathers who are experiencing personal uncertainties during their pregnancies. You may name the child for whom you will be praying and thereby share a special, personal bond with your baby.
Dear Parishioners,

The gospel for today includes the call of the first apostles: Peter, Andrew, James and John. There are many elements to the story. We learn that each of these were fishermen. We hear that the call of Jesus and the apostles' response has a sense of immediacy. Note also the character of Zebedee, the father of James and John, and his role. The gospel concludes with a signature theme of Jesus' ministry, proclaiming the kingdom and curing disease and illness.

The opening of today's gospel also makes clear that Jesus was on the move, leaving home in Nazareth and going to Capernaum on the Sea of Galilee. He moved his home upon hearing of the arrest of John the Baptist. It was at this new home that Jesus began his preaching of repentance.

Obviously, there is much food for thought provided by this gospel. One could reflect on this gospel in terms of how each of us feels the call of the Lord in our own lives. Parents might consider Zebedee and his feelings concerning how his two sons leave their father rather suddenly, leaving him with all the tasks associated with the fishing nets. All of us involved in church ministry, all of us desiring to be disciples of the Lord, all of us employed in the church can take note of the primacy of healing in Jesus' ministry. This is a gospel with many possibilities for prayer and reflection.

Often the Sunday gospel is associated with Sunday’s first reading and that is the case again today. The gospel repeats the geographical references of the first reading with its reference to the region of Zebulun and Naphtali. The first reading tells us that these lands were "degraded" by the Lord. The transformation of these lands is beautifully described by Isaiah: "Anguish has taken wing, dispelled in darkness: for there is no gloom where but now there was distress."

"The people who walked in darkness have seen a great light; upon those dwelt in the land of gloom a light has shone. You have brought them abundant joy and great rejoicing, as they rejoice before you as at the harvest, as people make merry when deciding spoils. For the yoke that burdened them, the pole on their shoulder, and the rod of their taskmaster you have smashed, as on the day of Midian."

This passage is about transformation that leads to rejoicing. (This text serves as a memorable part of Handel's Messiah.) It is this sense of transformation and rejoicing that links the first reading to the call of the first apostles. When a person draws close to the Lord; when a person desires to be a disciple of Jesus; when a person volunteers for ministry or is employed in the church, transformation is expected to be part of the experience because that’s what Jesus does. He transforms. He transforms by healing; he transforms by preaching and teaching; he transforms through miracles; he transforms by his powerful example. The transformation can be difficult and mysterious, even involve pain and suffering. Consider the martyrs. Ultimately the transformation that Jesus brings into our lives leads to rejoicing.

There is a spiritual classic from the 1950’s entitled Transformation in Christ written by Dietrich von Hildebrand. His opening chapter is the key to the book and is named “The Readiness to Change.”

A LENTEN MISSION

We were recently invited to host a parish Lenten mission and we accepted the invitation. Fr. John Hurley, a Paulist priest will be here at St. Anne's the first full week of Lent. He will preach at all the weekend Masses for the First Sunday of Lent and then offer the mission Monday to Wednesday. Parish missions are a Lenten tradition in the church and it’s been awhile since we have experienced one at St. Anne’s. More information will be included in the bulletin as we approach Ash Wednesday, March 1. As the information is shared with you, please consider making time in your life for this parish mission during the opening week of Lent.

PARISH FINANCES

You will find in the bulletin today a summary of the finances for the parish and the school for the fiscal year that ran from September 1, 2015 to August 31, 2016. It seems dated because we are now in the second quarter of the new 2016-17 fiscal year. However, we share this report only when financial calculations are complete, accountants have approved them, parish trustees and finance chairman have signed off on them, and the diocese has received them. It is a process, now complete, and our fiscal status is healthy, strong, and in full conformity with diocesan and church guidelines. I am very grateful to Tim Conlon, our finance Committee Chair and Mary Lou Engrassia our Parish Operations and Business Manager for their preparation of the report. Mary Lou Engrassia manages all our finances in conjunction with the Finance Committee, the Trustees, and the pastor. We are truly blessed to have Mary Lou as part of our staff.

We are blessed by the wonderful generosity of our parishioners. I have tried to express my gratitude to you all during my time here, because I marvel and appreciate how giving the people of St. Anne’s are. This giving includes many forms as well as financial. So thank you again for your great support.

As stated in Tim Conlon’s summary, we would welcome any questions and comments you might have related to parish finances.

CATHOLIC SCHOOLS WEEK

Next Sunday at the 11:45 Mass we will be celebrating our parish Catholic School ministry. We have one of the strongest Catholic schools on Long Island in terms of enrollment, finances, Catholic identity and practice, academics, school building, and acceptance into Catholic High Schools. Our student acceptance rate is 100%. Each student gains admission. Our application acceptance rate (3 application per student to 3 different schools) is a phenomenal 98%. We will celebrate this important ministry for our parish children next Sunday.

Enjoy a peace-filled week.

It may weigh them to perdition. Bear the load of your neighbor’s poverty, and let him bear with you the load of your wealth. You lighten you load by lightening his.

Resilience … You are not alone

Next Meeting—February 9, 2017

Research shows that many parents don’t discuss concerns about their children’s mental health with anyone due to fear of the stigma that is often attached. Just when parents are vulnerable and in need of support, they tend to withdraw. If you have a son or daughter who is experiencing psychological or emotional challenges, do you hesitate to speak with trusted friends or relatives because of the concern that at best they would not understand or perhaps they would be critical or judgmental? As a result, do you often feel isolated, as if you are alone in dealing with this issue? Do you wonder at times where God is in the midst of your child’s struggles?

Saint Anne’s has formed a group to support parents of teens and young adults who are experiencing challenges, either psychological, emotional or both. Our group is called Resilience. We respect the confidentiality of each person and offer a safe environment to meet with other parents who are facing similar challenges. You are not alone! For more information, please contact Linda Leone at lindaleone@stannesgc.org or 516-352-5904.

Saint Anne’s Is Here For You…

If you’re struggling with something and not sure where to turn, Saint Anne’s Parish provides confidential support and assistance. Serious illness, economic problems, marital difficulties, mental health concerns and coping with caring for those who are ill or elderly are issues we may all face at different times in our lives. If you would like to know more, please call Parish Social Ministry at 352-5904.

Second Grade students are all smiles after their First Reconciliation.
The gospel tells us that after John was arrested Jesus takes up his ministry and calls his first four disciples, Peter and Andrew, James and John. These four were fisherman, the first two casting their net into the sea, and the other two mending their nets. Jesus calls them to be fishers of people. These disciples would spend the rest of their lives casting the net of the gospel wherever they went. They would also spend their lives mending that net each time it was torn by sin and persecution. As a disciple of Jesus where do you cast your net each day? At the end of each day what needs to be mended by prayer and forgiveness?

Monday, January 23 – Day of Prayer for the Legal Protection of Unborn Children
In the Mass for Peace and Justice celebrated on this day, we pray that all governments, especially our own, seek a truly just society, one in which the common good of all people, including the most vulnerable, is sought. This Mass reminds us of the beauty and sacredness of the lives around us. We use this day to show mercy for we are called to show compassion and God’s mercy as we restore all and renew all in Christ’s love and life. We remember, we intercede, we hope…
The special intention for the 7:30 Mass on Monday, January 23rd is for the Unborn.

Dear Parishioners,

I am pleased to report the financial condition of Saint Anne’s Parish and School for the fiscal year which ended on August 31, 2016.

Saint Anne’s Finance Committee meets quarterly to monitor the financial condition of the parish and the school. We review the financial status of both against the budgets that have been prepared by the parish and school management, and approved by the Finance Committee and Parish Trustees. If circumstances require, the committee will meet additionally on an ad hoc basis. We have the quarterly financial statements prepared by the accounting firm Rosen & Federico, Certified Public Accountants.

Total Revenue for the Parish was $2,288,000, flat over last year. Note that the 2015 fiscal year included 53 weeks vs 52 weeks in 2016. Sunday collections, including Christmas and Easter collections were essentially flat to last year but trended up if you consider the extra week in 2015 results. Fund Raising and auxiliary (Sacramental offerings, poor boxes, votives etc) revenue decreased approximately 10%, notwithstanding a larger rebate from the Catholic Ministries Appeal and a successful Spirit Day and Big Bucks event. Donations and Bequests increased approximately 8% and were very strong, totaling in excess of $162,000. While Parish Programs total revenue was down from the prior year, it is worth noting that Camp St. Anne was very successful.

Total Operating Expenditures were $1,894,000, down 5% or almost $100,000 over last year. Expenses were impacted to some degree by the Rectory renovation in that the living and office spaces were under renovation and not utilized for much of the fiscal year. Examples include Building Maintenance and Utilities and Household Rectory. Expenses were controlled and resulted in minimal increases in salaries and fringe benefits and printing and office. The parish subsidy to the school decreased significantly due to the school receiving unanticipated New York State Mandated Services monies from prior years. Parish Programs expenditures increased approximately 18% reflecting the vibrancy of our many and growing ministries.

Extraordinary Capital Expenses decreased to $230,000 as compared to $648,000 last year. These expenses include the installation of the fire detection system in the church and school buildings. A new HVAC system and installation of the fire sprinkler system were not covered by insurance and make up the remainder of the capital expenditures for 2016. The primary extraordinary costs during the 2015 fiscal year were for the demolition of the Convent and subsequent grading of the property and expenses for repairs to our facility heating system and installation of temperature controls. We continue to enjoy lower heating bills this winter due to the efficiencies gained from those efforts (and the mild winter thus far!).

The parish generated a surplus, before extraordinary expenses, this year of $395,000, a very healthy increase from the surplus of $305,000 last year. After extraordinary expenses, the parish had a surplus of $165,000 this year compared to a deficit last year of ($343,000). It is also worthy to note that the parish again surpassed the 2015 Catholic Ministries Appeal goal, receiving a rebate of $39,805, and as of this writing we have also reached our 2016 goal- now 5 years in a row. We anticipate that we will receive a rebate of over $35,000. Thank you!

The current fiscal year will include expenditures related to the September 2015 Rectory fire, in excess of insurance reimbursement. As Father Tom has communicated, we worked diligently with the Diocese, our insurance company, various contractors, our Parish staff and the generous service of several volunteer parishioners through the process of repairing the Rectory and settling the claims with our insurance carrier. During this process of compiling the scope of work for the restoration of the rectory building, some other necessary issues were identified and were included in the repair. This included an upgrade of the HVAC system and some structural floor work that corrected the deficiencies.

St. Anne’s School also continues to do very well financially and more importantly provides a strong academic program in a Catholic environment. The parish continues to subsidize the school as needed in order that we may continue to fulfill the mission of having the children develop a meaningful understanding of our loving God while being challenged academically.
Total Revenue for the school was $2,694,000, a 5% increase over the previous year. Tuition and the after school child care program accounted for $2,068,000 of the total revenue, an increase of $100,000 over the prior year which was primarily driven by the growth in our after school child care program. The balance came from fundraising and donations ($169,000 - which increased almost 30% over last year) parish support ($190,000), New York State Mandated Services ($252,000) and miscellaneous income. As noted above, the parish support to the school decreased significantly as compared to last year which was primarily the result of a significant increase in NYS Mandated Services funding which was the result of a one-time catch up adjustment received this year.

Expenses totaled $2,675,000, with operating expenditures increasing approximately 4% over last year. These expenditures include School Administration ($255,000), instructional expenses ($1,454,000), fringe benefits ($603,000), and operational and maintenance of the buildings ($260,000). Capital expenditures increased due to a portion of the cost of the fire detection system and technology purchases in the way of chromebooks and new computers for the lab. The school surplus was $19,000 as compared to $11,000 last year. Our thanks go out to the school families and parishioners who continue to be committed to supporting our school. How fortunate we are to be able to boast of our thriving, vibrant school!

The overall financial condition of the parish and school is strong. We have sufficient financial reserves in place to fund liturgical programs, parish ministries and support the school and building operations and maintenance. The financial position this parish and school enjoy has been accomplished through the tremendous support and generosity of our parishioners. Again we thank you! 2017 will be the year where we explore the addition of meeting and ministry space on the parcel of land that was formerly the convent. We look forward to the possibilities that this presents in continuing to grow and serve our faith community.

The members of the Finance Committee are Joseph Ferrick, Peter Irwin, John Kollar, Michael Miller and Jim Molloy. We are very fortunate to have such a committed group of talented and experienced individuals on our committee to help guide the parish and support Father Tom as Pastor. Two of our Committee members have completed their maximum terms as defined by the Diocese, Peter and Jim. Father Tom and I would like to acknowledge their dedicated service and the wisdom and counsel they brought to our meetings. The Trustees of Saint Anne’s Parish, Susan Donnelly and Lilly Schwieger, also participate at these meetings and share their perspective and guidance.

Mary Lou Engrassia, in addition to her primary responsibilities at St. Anne’s in charge of Parish Operations, also serves as our chief financial manager. She does an outstanding job keeping the internal financial records current and advising the Finance Committee each quarter of our progress and any issues that need to be considered.

Should you have any questions or comments the members of the Finance Committee, Father Tom and I would be happy to speak with you.

Sincerely,

Tim Conlon
Chairperson of the Finance Committee

Saint Anne’s Youth Ministry Meeting
Sunday, January 22nd
at 6:30PM in the cafeteria

On January 8th our Youth Group was happy to welcome some of our graduates who are currently in college. We were fortunate to have Regan Marooney, Andrew Wykowski, Brigid Stenson, Emily Merz and Danny LaRosa join us for this meeting. All of them shared their experiences about college life, including how they have been able to continually develop their faith while away at school. The five returning members then answered questions from our high school teens. It’s really wonderful to hear the wisdom from our returning graduates and we always welcome them to any of our events.

Saint Anne’s Youth Ministry is founded on three main values: faith, community and service. At our regular meetings there are games and activities that encourage teens to form new friendships and have conversations with many different people. Teens come from various high schools and all are always welcome.

New members are invited to join at any time. For more information, please contact Bill Leone @ bleone@stannesgcschool.org

We welcome those newly baptized
