Giving Thanks...

Saint Anne’s Professional Networking Group met last Wednesday in the St. Therese Chapel. Deacon Bob McCarthy offered a reflection on gratitude centered on Luke’s Gospel of the Prodigal Son, followed by remarks from Jim McGurren. Members shared their own thoughts and experiences on how choosing to be grateful impacts our relationships with God and with each other. We are thankful for this opportunity to pray together and to connect with one another in faith. Our gathering concluded with a reflection from Thomas Merton, “To be grateful to is recognize the love of God in everything he has given us—and He has given us everything.”
Dear Parishioners,

Happy Thanksgiving! This Thursday our nation pauses from the busy routines of our lives to give thanks for the many blessings that we have received as a country, faith community, as families and as sons and daughters of God. Each of us can identify the many gifts for which we are grateful. Some are shared with others, such as the freedoms we experience as Americans. Others are known alone to us as individuals and we find those blessings in the deepest parts of our hearts, minds and souls. Whether it's a communal blessing or a very personal blessing, we come together to celebrate gratitude.

I invite you to give prayerful consideration to joining us for the parish Thanksgiving Mass at 9:00AM on Thursday morning. For some, especially those cooking Thanksgiving meals, it is a busy day. Others have the tradition of the Turkey Trot. There is no better way to begin Thanksgiving Day than with Mass. The Eucharist is the Church's great act of gratitude to God. Please try to join us on Thanksgiving morning if you are able.

An often used gospel on Thanksgiving Day is the gospel story of the ten healed lepers, one of whom who returns to give thanks to God. His gratitude extends the miracle story. His gratitude still inspires others. His gratitude is noted by Jesus. Jesus does ask, "Where are the other nine?" I am sure that the other nine went to very appropriate places to celebrate their healing. For us, there is no more appropriate place to begin our Thanksgiving celebration than at the table of the Lord as we go later in the day to the tables of our family. Happy Thanksgiving Day!

PARISH GRATITUDE

As a parish we have many reasons to be grateful at this time of year. We have many blessings that we share as a parish community. Two of them are especially highlighted in the pages of this bulletin. Our financial report for the 2016-17 fiscal year appears in today's bulletin. We remain financially healthy due to the generosity of our parishioners. We can do all that we do at St. Anne's in terms of ministry, service, education, because of the financial support of the parishioners. We can do all that we do at St. Anne's in terms of ministry, service, education, because of the financial support of the parishioners. As the report indicates, we remain active and vibrant. We estimate that up to 400,000 persons come through the many doors of St. Anne's during the course of the year. That's a lot of praying, teaching, serving, and meeting. Financial support is required for all these gatherings of good people as we keep the lights on, the hallways clean, the rooms available and open. Please accept my personal gratitude for all your financial support.

We are also very grateful to those many parishioners who so generously and quickly volunteered to donate food for our Thanksgiving Sponsor a Family Ministry. St. Anne's parishioners are assisting 325 families with Thanksgiving meals. A very organized and efficient procession of cars brought the food here on Saturday and delivered the meals to Wyandanch and Uniondale. A very helpful and enthusiastic group of teens assisted with the mission. Thanks to all the donors and Saturday helpers.

We are now on to the Christmas Sponsor a Family ministry. Again, we will be assisting more than 325 families and we still need additional donors. Next Sunday, Christmas trees with Angel ornaments will be in the church. The Angel ornaments are used to support our giving program that helps make Christmas special for 70 children living in housing provided by Catholic Charities. At the Family Mass, you may also take an ornament to provide a gift for a child in need. Again, many thanks for your generous participation and support.

TEEN VOLUNTEERS & FAITH FORMATION

This year I have worked at being more present to our Faith Formation classes and students. Our catechists do a great job in trying to pass their faith to the children of our parish. It is a difficult ministry with many challenges. We continue to seek ways to help our catechists and our young children. We continue to need more catechists and ask you to consider prayerfully if you might be able to help us in this critical ministry of the Church.

One kind of assistance comes from our high school volunteers. They join with the adult catechist in teaching a class from 12 to 18 young people. The teen volunteers from our many surrounding public and Catholic high schools provide great help. We would love to have more teen volunteers.

If you are reading this, you are probably not a teen. You may be a parent or grandparent of a teen who would like to see your adolescent son or daughter doing some kind of service in the context of our faith and parish. Serving as a teen catechist helper is a great opportunity. Speak to them and encourage them. Suggest they volunteer for a limited time, the weeks of Advent. Perhaps they will discover how meaningful and helpful this type of volunteer service can be. We have excellent young people in our parish and we need to give them opportunities of helping others. Sharing time as a volunteer catechist helper is a wonderful and badly needed form of service. If you can, encourage the young people you know. Do it as an Advent project.

FR. RUDY – DECEMBER 3

In two weeks on December 3 at the 10:00AM Mass, the parish will celebrate 35 years of priesthood with Fr. Rudy. As well as celebrating Mass for us, Fr. Rudy is involved in many parish activities. He is very present to the Knights of Columbus, the Catholic Daughters and very committed to all the school children of the parish in the celebration of the Sacrament of Reconciliation. He is very faithful to anointing homebound and hospitalized parishioners. He understands his vocation to priesthood in the context of the parish community. Try to be with us on December 3 to celebrate this important milestone of Fr. Rudy's priestly life.

Happy & Blessed Thanksgiving!
PARISH SOCIAL MINISTRY

LOAVES & FISHES

With Sincerest Thanks for Sponsoring 325 Families!

Thanks to the generosity of Saint Anne’s parishioners, 50 families from Our Lady of the Miraculous Medal’s Ryan Outreach Center in Wyandanch and 275 families at Saint Martha’s Parish Outreach in Uniondale were sponsored for Thanksgiving.

325 struggling families will now be able to gather together on Thanksgiving Day for a delicious dinner, with extras to tide them over through the following week. Thank you to all who sponsored families and all who offered financial support to help feed those who are hungry. Special thanks to all the volunteers who assisted with this effort – especially the youth helpers, the drivers and the coordinators. Photos will be printed in next week’s bulletin!

As you gather around the table with your own family this Thanksgiving, please know that many families in need are gathering as well and are better able to celebrate the holiday thanks to your support. May all those who give and all those who receive pray for each other.

Advent Giving Opportunities

At the Family Mass—At the 10:30AM Family Mass there will be a special opportunity to help children in need this Christmas. Ornaments which identify a Christmas gift and a food item for a child in need will be given out. All gifts donated should be unwrapped and returned on Sunday, December 3rd or December 10th to the Family Mass or to the Loaves and Fishes closets.

Angel Gift Trees in the Church - Trees will be set up in the lobby of our Church next Sunday with angel ornaments printed with the names and ages of children in need. Each child or teen currently lives in housing administered by Catholic Charities programs and in many cases, the gifts supplied will be the only ones they receive. A Thanksgiving Prayer

Oh, God, when I have food, help me to remember the hungry;
When I have work, help me to remember the jobless;
When I have a warm home, help me to remember the homeless;
When I am without pain, help me to remember those who suffer;
And remembering, help me to destroy my complacency and bestir my compassion.
Make me concerned enough to help, by word and deed, those who cry out for what we take for granted.

~ Samuel F. Pugh

There is much talk today about saving for retirement. We are encouraged to put money aside to supplement our retirement income. Young people are encouraged to begin planning for retirement early in life. In a sense we invest in our future and pray that everything will work out for us. In today’s gospel parable Jesus shows how he has invested in us. He gives us the Gospel to guide us in our life choices. He gives us the Holy Spirit to strengthen and encourage us along the way. Jesus gives us a share in divine Life. What do we do with Jesus’ investments in us? Do we increase them five or ten fold? Or do we bury them? Let us pray to be faithful disciples so that we can one day share in the “master’s joy.”

**Thanksgiving Day**

Each year we begin our Thanksgiving holiday with a Parish Mass at 9:00AM. On this national holiday, we give thanks to God for his countless gifts of love and his infinite goodness. We pray that our hearts be open to concern for one another. We have shared with our brothers and sisters through the Thanksgiving Sponsor a Family program. Thursday we gather with our families, sharing our meal in gratefulness for the many blessings that are ours. Take the opportunity to gather as a parish family as we gather around the table of the Lord, sharing the greatest meal, the Eucharist.

_Father, your gifts of love are countless and your goodness infinite; as we come before you on Thanksgiving Day with gratitude for your kindness, open our hearts to have concern for every man, woman, and child, so that we may share your gifts in loving service._

Year End Report of Saint Anne's Finance Committee

Dear Parishioners,

I am pleased to report the financial condition of Saint Anne’s Parish and School for the fiscal year which ended on August 31, 2017.

Saint Anne’s Finance Committee meets quarterly to monitor the financial condition of the parish and the school. We review the financial status of both against the budgets that have been prepared by the parish and school management, and approved by the Finance Committee and Parish Trustees. If circumstances require, the committee will meet additionally on an ad hoc basis. We have the quarterly financial statements prepared by the accounting firm Rosen & Federico, Certified Public Accountants.

Total Revenue for the Parish was $2,246,000 an approximately 2% decrease compared to last year. Sunday collections, including Christmas and Easter collections were essentially flat to last years. Fund Raising and auxiliary (Sacramental offerings, poor boxes, votives etc.) revenue decreased approximately 8%, Donations and Bequests decreased approximately 30% against an exceptionally strong 2016 which totaled in excess of $162,000, largely in part to the generosity of parishioners after the rectory fire. Parish program revenue was down slightly but was offset by a greater decrease in expenses. Our parish continues to be generous in giving to the universal church through support of the National and Diocesan collections. Thank you.

Total Operating Expenditures were $1,916,000, slightly over last year. Expenses were controlled when considering that in the prior year, the Rectory was still under renovation and as a result, the living and office spaces were not utilized for much of the 2016 fiscal year. Salaries increased but were mostly offset by decreases in fringe benefits. The parish subsidy to the school was flat compared to last year again due to the school receiving unanticipated New York State Mandated Services monies from prior years.

Extraordinary Capital Expenses decreased to $164,000 as compared to $230,000 last year. These expenses include final payments for the fire sprinkler system and renovation of the rectory, repairs to the heating system servicing the church and school and payment to an architect for preliminary work related to additional ministry and meeting space for the parish. The primary extraordinary costs during the 2016 fiscal year included the new fire detection system in the church and school buildings, a new HVAC system for the rectory and initial payments for the rectory fire sprinkler system that were not covered by the insurance claim.

The parish generated a surplus, before extraordinary expenses, this year of $331,000, a 16% decrease from the surplus of $395,000 last year. After extraordinary expenses, the parish had a surplus of $167,000 this year compared to a surplus last year of $165,000. It is also worthy to note that the parish again surpassed the 2016 Catholic Ministries Appeal goal, receiving a rebate of $34,459, and as of this writing we have also reached our 2017 goal- now 6 years in a row. We anticipate that we will receive a rebate of over $38,000. Thank you!

St. Anne’s School also continues to do very well financially and more importantly provides a strong academic program in a Catholic environment. The parish continues to subsidize the school as needed in order that we may continue to fulfill the mission of having the children develop a meaningful understanding of our loving God while being challenged academically.

Total Revenue for the school was $2,742,000, a 2% increase over the previous year. Tuition and the after school child care program accounted for $2,101,000 of the total revenue, an increase of $33,000 over the prior year which was primarily driven by an increase in enrollment. The balance came from fundraising and donations ($178,000) parish support ($189,000), New York State Mandated Services ($258,000) and miscellaneous income. As noted above, the parish support to the school, while flat over last year, was significantly lower compared to past years which was primarily the result of significant NYS Mandated Services funding which was the result of a catch up adjustment received again this year.

Continued on pages 10 & 11
Expenses totaled $2,627,000, with operating expenditures increasing approximately 2% over last year. These expenditures include School Administration ($276,000), instructional expenses ($1,471,000), fringe benefits ($582,000), and operational and maintenance of the buildings ($290,000). The increase in School Admin and Instructional expenses were mostly offset by a decrease in Fringe Benefits. Capital expenditures decreased 44% compared to last year which saw expenses for a portion of the cost of the fire detection system and technology purchases in the way of chromebooks and new computers for the lab. The school surplus was $60,000 as compared to $19,000 last year. Our thanks go out to the school families and parishioners who continue to be committed to supporting our school. How fortunate we are to be able to boast of our thriving, vibrant school!

The overall financial condition of the parish and school is strong. We have sufficient financial reserves in place to fund liturgical programs, parish ministries and support the school and building operations and maintenance. The financial position this parish and school enjoy has been accomplished through the tremendous support and generosity of our parishioners. Again we thank you! 2018 will be the year where we will present our vision for the addition of meeting and ministry space on the parcel of land that was formerly the convent to you, the parishioners. We look forward to the possibilities that this presents in continuing to grow and serve our faith community.
