Easter Thoughts from the Gospel
The daily Lenten thoughts were very well received by parishioners, so we will continue to email and print thoughts based on the day’s gospel through the Easter season.

Sunday, April 15—Jesus greets his followers with the words “peace be with you”.
Do we accept the peace of Christ in our hearts and share it with others?

**Easter Thoughts from the Gospel**

*The daily Lenten thoughts were very well received by parishioners, so we will continue to send and print them through the Easter season.* If you do not receive this email but would like to, please email us at StAnnesLent2018@stannesgc.org (and be sure to add us to your “Safe-Senders” list).

**Monday, April 16**
Jesus gave us the Eucharist as the food that endures for eternal life. The Eucharist binds us more strongly to Jesus Christ and to each other. What a wonderful gift!

**Tuesday, April 17**
Jesus tells us that he is the Bread of Life. At every Mass we are able to receive Jesus’ body and blood as the food which nourishes us on our journey of faith. It is the food which enables us to be courageous witnesses to Christ and ministers to others of God’s mercy.

**Wednesday, April 18**
“Let all the earth cry out to God with joy.” We are thankful that the gospel story of Jesus’ life, death and resurrection provides us with meaning, purpose and hope. Do we proclaim this gospel message with joy?

**Thursday, April 19**
It is Passover time. Jewish leaders recalled their ancestors ate manna to sustain them on their desert journey and eventually died. Jesus tells them He is the Bread of Life, the bread that gives never-ending life to those who eat it. It is time to reflect on his dying to save us and the promise we will live forever.

**Friday, April 20**
The Jews who listened did not understand the words of Jesus because they took them literally. He asks them to accept him as the Paschal Lamb whose blood would give them eternal life. Just as the Eucharist brings us closer to God, so does anything good we do, wherever we are, whatever we are doing.

**Saturday, April 21**
Jesus knew many did not believe in him and some walked away; and that Judas would betray him. The Apostles are alone with Him now. Peter’s response needs to be ours also! For, we have come to know, come to believe, and continue to do so. We trust in his word.
Dear Parishioners,

One of the responsibilities I take very seriously as the parish pastor is leading, guiding, and accompanying our young families who will be celebrating the Sacraments of the First Holy Communion and Confirmation this spring. I share this responsibility with our Faith Formation leader Vivian Flood, and the many teachers and catechists who spend much class time with the second, seventh, and eighth graders as they prepare for these sacraments. Other members of the parish staff also assist. It is a full team effort.

Parents provide the most important leadership for sacramental preparation. Most essential is bringing their children to Sunday Mass. Without a regular participation in the Sunday Mass, our efforts bear diminished fruit. Parents regularly bringing their second graders to Sunday Mass as part of preparing for the big day creates an exciting anticipation for the child. Parents regularly bringing seventh and eighth grade students to Sunday Mass as they prepare for Confirmation impresses upon the young teens that they can now begin to take responsibility for their own faith. We have many high school and college students who are a regular presence at Sunday Mass. This began when they were young boys and girls.

The parish puts lots of time and energy into sacramental preparation. Between the three grades (2, 7, and 8) and two sacraments, we have eight parent meetings during the year. This is in addition to class time, service projects, and other related activities. Parents are cooperative and generous in their attendance. Our eighth graders will be confirmed on Tuesday, April 24 by Bishop Robert Coyle. First Holy Communion will take place Saturdays May 5, 12, and 19.

The confirmation preparation time includes both seventh and eighth graders. This past Wednesday, we had a second meeting of the seventh graders and their parents. On Tuesday, we had meetings for all the second grade parents. After some reflection on my pilgrimage experience, I decided that we needed to introduce a stronger element of prayer into these parent meetings. So we include in the meetings the tradition of the Exposition of the Blessed Sacrament, a recitation of a rosary decade, and conclude with simple Benediction with the Blesses Sacrament. After praying for ten minutes at the beginning, we offer the content for the evening and then pray for about ten minutes at the end with Benediction. The entire evening is about one hour and ten minutes. Many parents commented very favorably on the inclusion of prayer into the evening.

This past Wednesday was a wonderful experience for me. Dealing with seventh graders is not always easy. Lots of changes and dynamics are present in the lives of thirteen year olds. Maturity levels vary greatly. Lots of energy is in the classroom. Seventh grade Faith Formation students meet in the evening after a full day at school. That’s not the optimal time for learning. Part of the student’s preparation is writing a Christian autobiography. I spent a good part of Wednesday reading these essays in preparation for Wednesday evening as I wanted to share some of the students’ writing with them and their parents in the context of prayer and before the Blessed Sacrament. I kept all their identities anonymous. The writing was truly amazing and a tremendous sign of the good work being done by parents, catechists, and teachers. Their writing certainly encouraged me in my efforts to work with them in preparation for Confirmation.

During this Easter Season of faith, hope, and love, and as we enter into the “sacrament season”, I share with all of you some of their beautiful reflections.

About parents: “My parents are religious and have taught my younger sister and me about God and religion and the importance of living a Christian life by being daily examples. For example, I try to lead a Christian life by being thoughtful, generous, and kind to others less fortunate. They are always leading by example, such as always helping others in need. My mom has volunteered her time at various places and always reminds me to be thankful to God for everything that we have and especially our health.”

About God: “God is my savior and my Lord. Without him, none of us would be here. We owe everything to God. I can’t thank God enough for all that he has given me.”

“God is, and always will be an important character in my book. He will always be the main character of my story. And someday I will join him.”

“Today I feel like God is with me every step of the way and I am never alone.”

About prayer: “Something very important that I learned from my family when I was little was to pray. I learned to pray by listening. I recall sitting at the edge of my bed each night with my parents. They would repeat over and over the prayers they wanted me to learn. I would hear the same prayers each night before I went to bed. I could manage to say some prayers here and there but I could not seem to memorize all of the prayers at once. Nevertheless, often persistently hearing these prayers for a long time, I finally memorized and understood all of them. I was intrigued by the message of their prayers, and the deep connection those words have in our daily life. My all-time favorite prayers had been the Hail Mary.”

Sunday Mass: “Sometimes I think about missing mass, mainly because of sports, but I can honestly say that once I get to the front doors, I’m so happy that I went and double happy after mass. I am learning although I have a strong belief in my faith and God, I am constantly being tested and learning.”

Sunday Mass: “I feel that my family and I have done a phenomenal job going to Mass every Sunday. To be honest, I can’t remember the last time I’ve missed Mass.”

There are many more of these! Enjoy a peace-filled week!

Mothers’ Day Gift Bags

Mother's Day, May 13th, is a time for families to honor their mothers. This special occasion gives us the opportunity
to support young mothers who have chosen life for their babies despite
overwhelming challenges in their own lives. Each year, we provide the young
women who are currently residing at Momma's House, Mother of Good Counsel
Home and Bethany House with gift bags filled with special items for Mother’s
Day. Saint Anne’s MOM’s group also supports this project by providing an
additional 12 gift bags for the soon-to-be moms living in Catholic Charities Regina
Residence.

We plan to deliver 55 tote bags to these homes on May 7th, prior to Mother's
Day. We have the bags, but your help is needed in gathering the gift items to fill
them! Please mark your donations "Mother's Day" and place in the Loaves & Fishes
closets in the Church (last closet on the right) Thank you!

The following items are needed: (All new and please, no travel sized items)

| Bath/Body Wash | Hand/Face Cream | Individually wrapped Toothbrush/Toothpaste |
| Shampoo | Combs/Brushes | Small Box of Candy |
| Deodorant | Make-up | Socks |
| Nail Polish/Manicure Kit | Jewelry | Nightgowns - All sizes |

Weekly Food Drive

Many thanks to all who assist with the mission of Loaves and Fishes - to help provide food and other
necessities for the many struggling families in our local area. Last week’s food donations were delivered to
St. Mary of the Isle Parish in Long Beach, where your support is very much appreciated.

If you are wondering how you can be of help to people in
need, please consider bringing food to the Loaves and Fishes closets when you come to Mass. The Loaves and
Fishes closets are in the left rear of the church, open
7:00AM—2:30PM. Thank you for your support!

Over the past three Sundays we have heard told three stories, the empty tomb, the appearance to Thomas and now today, the risen Jesus eating fish. These three texts are given to us to confirm that Jesus is truly risen from the dead. At the very beginning of today’s gospel the disciples recount how they recognized him in the breaking of the bread. St. Luke tells us that the “breaking of the bread” is the way Jesus is made known to the community. Jesus no longer is appearing to the assembled followers. That ended at the Ascension. Instead, we come together as community to experience Jesus in the breaking of the bread, or in what we call Eucharist, each Sunday as we gather for Mass. What should ever keep us away?

Meeting - Sunday, April 15th
6:30PM Cafeteria

Saint Anne’s Youth Ministry is founded on three main values: faith, community and service. At our meetings there are games and activities that encourage teens to form new friendships and have conversations with many different people. Teens come from various high schools and all are always welcome.

New members are always welcome. For more information, please contact Bill Leone at bleone@stannesgc.org.

Requirements for All Volunteers

In all we do, the safety of our parishioners and most especially our children is a top priority. To ensure a safe environment is provided, the diocese requires all parish and school volunteers comply with the following four requirements:

◘ Complete an Application for Volunteer Service
◘ Sign a Release for a Background Check
◘ Review and Sign the Code of Conduct form
◘ Attend Virtus Training

The best way to protect our children and our church is for adults to learn red flag behaviors and to report concerns to supervisors. This creates a culture of protection. Sign up for a safe environment (Virtus) training session.

Registration, Release and Code of Conduct forms are available at the rectory or on our website. If you have not yet attended Virtus training, please register for an upcoming session on the diocesan website, dvrc.org. Click on Virtus Online on the homepage.

If you have any questions, please call Susanne Blum at 352-5904.

**Living Legends**

The sixth grade class at Saint Anne's recently entertained the student body by bringing historic figures to life. After selecting a person of historical significance, the students were required to thoroughly research the life and achievements of their legends and then prepare a written research paper summarizing their findings. Armed with all this biographical information about their legends, the students capped off their weeks of work by dressing up as their historical figures and bringing them to life for the rest of the Saint Anne's student body. Students in other grades were able to approach the "living legends" and ask them questions about their life and achievements. The sixth grade class did an amazing job bringing to life sports figures, members of royalty, and titans of industry, among others, to the joy and benefit of the entire Saint Anne's school! Hats off to the sixth grade! Pictured below is just a sampling of the many sixth grade living legends.
